H.O.G.® membership – **payment by bank transfer - Euro € only**

1. Please note that there may be a charge against each Euro-currency bank transfer. This is a bank charge and outside of H.O.G.® control. This must be paid in full over and above the membership fee.

2. When paying via this method, you must include only your complete MEMBERSHIP NUMBER, LAST NAME and FIRST NAME, in this order as the reference to the payment (e.g.: **AB1234567 SMITH John**).

If this is not done, H.O.G. will not be able to track your payment and will not be able to process your membership. If you are making a payment for more than one membership you must include all membership numbers as the reference.

3. For any countries that do not use Euros as their own currency, please note that the transfer must be paid in Euros.

4. *Please do not use the bank transfer payment method to purchase HOG assistance cover.*

5. Please note that it can take two weeks or more to receive confirmation of your payment before we are able to process the request.
